HISTORY/FACTS/ISSUES:

Right-of-way south of CR-44A was deeded to the County for the CR 139 extension before the decision was made to realign CR 139 to intersect with SR 44 and Signature Drive to create a four-way stop. The right-of-way is now unneeded due to the realignment.

Additional prescriptive right-of-way is also included in this consideration as it is unneeded due to the realignment.

This resolution schedules a public hearing on November 24, 2009, at 5:00 p.m. to consider vacating the right-of-way.
